Ref ► Acknowledgement of receipt of request for Country Mapping Document for Bosnia and Herzegovina

Your Excellency,

In my capacity as Chair of the EPA Governing Board, I acknowledge receipt of your letter of 6 June 2022 officially requesting a Country Mapping Document for Bosnia and Herzegovina, and I shall thank you for your interest in this regard.

As required by the procedure, the request for a Country Mapping Document must be approved by the member States of the EPA Governing Board. The request for the Country Mapping Document for Bosnia and Herzegovina will therefore be presented at the Informal Governing Board meeting which will take place in the framework of the Annual Advisory Forum in Chania, Crete, Greece, on Wednesday 5 October from 10:00 to 12:30.

For your kind consideration, I am pleased to enclose with this letter an information note on the Country Mapping Document, which will give you a comprehensive overview of the different phases of the development of this report.

I will be looking forward to seeing Mrs. Aleksandra Mihić, representative of the Ministry of Civil Affairs of Bosnia and Herzegovina to the EPA, at the occasion of the Annual Advisory Forum on Cultural Routes of the Council of Europe in Chania and discuss the next steps.

Yours sincerely,

Julien Vuilleumier
