

COMPANY PROFILE

Our company is a 5 years old name in the travel & tourism industry – initially formed to accommodate customer needs in the business-to- business travel services.

We built our reputation through the commitment to the highest standards of ethical business conduct and to the principles of Integrity, creating a success story based on trust. the trust of our clients, of our partners & suppliers as well as from the general public.

Our efforts are made to improve the industry we love. Our goals go beyond improving the rate contracting process, rates parity and selling travel services. We are building a network where we all work together as partners to make this portion of the travel and tourism industry more competitive.

At The Vibes World we are on a mission to elevate tourism in every direction

OUR VISION IS TO:

Focus on customer values, and better service
Invest in travel technology
Sustain tourism through learning and development

OUR VIBES

The goal is to launch several initiatives to complete our mission in the near future, including:

VIBES ACADEMY

E-Learning platform
connecting skills with the
world travel via technology

VIBES ACADEMY

An innovative way of thinking in spreading the vibes of education in the field of tourism.

A complete knowledge of Vibes Tourism portal to facilitate its using, bookings and features, assisting all travel agencies and companies to improve their skills using vibes portal and explore a wide range of services.

The Academy will tackle the absence of technical courses in the world of tourism, the importance of the culture in this field and the investment in the youth enable us to preserve the culture.

Vibes academy is for professionals who are transforming the landscape of travel through technology enhancing the travel experience.

We offer several courses in:

- Travel technology skills
- Destinations and culture trainings
- Tourism etiquette
- Personal development and empowerment courses

OUR VISION

Is to sustain tourism through learning and development

OUR MISSION

to globalize the real culture of tourism by providing professional holistic theoretical guidance and professional trainings.

VIBES' SPIRIT EVERYWHERE

The Academy is designed to focus on three major pillars in the tourism sector.

Travel agents who are looking to improve their professional skills by learning about the vibes platform which is the gate to a wide range of services, destinations and competitive pricing

The young and motivated persons who are looking for an entry into the tourism world by providing them with an easy access to vibes Platform including the full training tools.

The academic profiles who are interested in acquiring technical and practical skills making an addition to their portfolio.

VIBES CARE

Social department
Make tourism beneficial for
people through education,
environment & sustainability.

VIBES CARE

CARE is a social department that works in partnership with businesses and governments so that tourism brings greater benefits for people in education, environment and sustainability.

The Vibes **CARE** supports and invest in sustainable tourism around the world through environment and nature, educational factor and developing projects while creating job opportunities in the field and sustain the communities' economy

CARE works globally and acts locally - it builds on strong partnerships with local and international organizations to create meaningful and long-lasting impact in the tourism sector

We target the local and international organizations involved in the holiday making destinations, exploring new travel experiences, the non-profit organizations who work for a better future in education and the active communities spreading the awareness about sustainability.

OUR VISION

Making tourism sustainable through environment, education while preserving the culture

OUR MISSION

is to rely on the positive impact of tourism to sustain local economy and make a difference in people's life and sustainable tourism around the world

VIBES' SPIRIT EVERYWHERE

We are **transparent** in the way our social care department works, we are **positive** in our approach and vision to make tourism sustainable, and we are **engaged** to provide a meaningful impact on people's life globally we look forward to amend the touristic culture in the region being the **first social dept** that tackles specifically the tourism sector
